As a member of the *Southern Maine Landlord Association* group, you have a Fixed Price Protection Plan available to you. If you have any questions please contact *Veronica Schneider*, who is acting as your point person. Due to current market volatility, these prices and programs are subject to change or cancellation without notice.

Fixed Price Plan - \$2.599 per gallon; locked for the period September 1, 2010 through May 31, 2011.

- You lock-in your price per gallon at the same fixed price for every delivery during the 2010/2011 program year.
- You select the number of gallons you wish to purchase. You pay the same fixed price regardless of whether prices continue to rise or begin to go down.
- You're set-up on automatic delivery so you won't have to worry about watching your gauge. We will not let you run out.

Please complete the attached Fixed Price Agreement including the number of gallons that you wish to lock. Also attached is our commercial credit application which needs to be completed if you do not currently have an account with Dead River Co.

You can depend on Dead River Company to be here when you need us.

Thank you for your continued business and loyalty.

Warmest Regards,

Dick Connolly
