Dear Toys for Tots Racer,

We would like to thank you personally for choosing to race in the Toys for Tots 400. Your participation will undoubtedly help the Toys for Tots Foundation buy gifts for needy children in the Greater Portland area this Christmas. The race will take place on December 12th 2010 at Maine Indoor Karting in Scarborough. The drivers' safety brief will be at 11am followed by the race at 11:30am.

As for the race format, there will be two heats with eight teams racing per heat. Teams will consist of four drivers, each racing 100 consecutive laps around the Maine Indoor Karting course. At the beginning of each heat, drivers will start on a grid based on randomly allocated starting numbers.

We ask that every driver raises at least \$350 in order to help us reach our goal of raising a total of \$20,000 for the Toys for Tots Foundation. Please use the sponsor sheet attached to keep track of the donations you receive. As all donations are 100% tax-deductible, we will make receipts with the Toys for Tots Foundation Taxpayer ID available to you. All checks should be made payable to Toys for Tots. We ask that all sponsor sheets and donations be submitted by December 9th 2010. These can be dropped off either at Sullivan Multi Family Realty at 306 Congress Street in Portland or at Maine Indoor Karting at 23 Washington Avenue in Scarborough.

We look forward to seeing you on the race track.

Sincerely,

Bill Sullivan
